Tell your spectator the following:

I'm going to ask you a series of math questions, then I will ask you another un-related question. Say the first thing that comes into your head without spending time thinking!

$$1 + 1 = ?$$

$$2 + 2 = ?$$

$$4 + 4 = ?$$

$$8 + 8 = ?$$

$$16 + 16 = ?$$

Name a vegetable!

They will say
CARROT!

Show them the picture of the carrot.
